

Join TEAM After School Matters in the Spring Byline Bank Chicago Half Marathon on Sunday, May 17, 2020!

In 2016, TEAM After School Matters began with a mission to provide life-changing opportunities for Chicago teenagers. Since our first race, nearly 150 athletes have dedicated their miles while raising over \$100,000.

TEAM After School Matters will be an experience that expands beyond crossing the finish line. You will be part of a network of individuals dedicated to raising funds for the future of Chicago – our teens.
